

Pro-Duffers Orlando

Membership Commitment Letter

I understand that my role as a member of the PRO-DUFFERS Orlando Chapter is a significant responsibility, and I will make it a priority. I look forward to working with this Chapter and, like the others, I:

- Support the Mission, Vision, Values and Goals of the organization.
- Will offer my expertise to help ensure the health and success of the organization.
- Will contribute significantly to fundraising and program activities, including making a gift to the chapter and/or assisting in bringing funding to the organization, such as offering names and introductions to potential donors, sponsors, and grant makers each full year I am a member.
- Will work with the rest of the team (Chapter) to communicate the organization's role to our most important audiences.
- Will attend in person or by video conference at least 75% of the meetings held each year I am a member and whether I attend or not, I will continually communicate with the team and the main coordinator to ensure I understand all current affairs.
- Will actively participate in request for my assistance whenever and wherever I am able.
- Will participate in at least one National Event (Spring Fling, National Tournament and/or Conference) each year.

I have read and fully agree to this Letter of Commitment and look forward to assisting the Chapter as a member of the Pro-Duffers Orlando.
